# GENERATION 4.12

Let no one despise your youth, but set the believers an example in speech and conduct, in love, in faith, in purity.

(1 Timothy 4.12)

*You've heard of Generation X, now there's GENERATION 4.12!*

**GENERATION 4.12** is a new component to the St. Helena's Faith Formation program. It is geared to today's generation of teens that would like to gather together for fun, friendship and faith.

Many activities will be offered for teens to be a part of, such as bon-fires, lazer-tag, mini-golf, Christmas Caroling, Green Lake picnic, music nights, bowling, and/or many others.

**GENERATION 4.12** will find many fun things to do, but might also help organize some of the service projects. OFF-ice is always looking for new ideas to serve others. If you have an idea, let's make it happen!

Today's generation is high tech. **GENERATION 4.12** will have its own tab in the st-helenas-re.org website. The OFF-ice hopes to use this as another way to communicate with today's busy teens who can not make a million meetings. We are hoping to begin a blog for ideas.

**GENERATION 4.12** will have no set organization of students who meet regularly. Rather, it will be "come if you can" to the scheduled meetings and events. Come especially if you would like to help plan an event or have an idea that you would like to see take place. And definitely, come to the events!!!!

**GENERATION 4.12** will be set up within the block shedule, which grades 9-10 may choose once. Freshman and sophomore can attend 4 meetings to be considered a block. (These meetings will only be 1 hour). Post Confirmation students may use meetings as much as they want to accumulate credit hours. Meetings included prayer, planning of youth events, and open faith discussion.

The OFF-ice is here for your generation!

Watch for **GENERATION 4.12** meetings, fun events, and projects!

Junior and senior leaders for **GENERATION 4.12** will be given high school credit for attending any meetings.

*Be a part of **GENERATION 4.12!** Be a part of the generation that makes a difference!*
